# CALTRANS/SBA BONDING ASSISTANCE INITIATIVE

The California Department of Transportation (Caltrans), in consultation with the Governor's Office of Small Business Advocate, have entered into a Memorandum of Understanding (MOU) with the U.S. Small Business Administration (SBA), to offer a technical assistance surety bond guarantee program to promote increased small business participation in Caltrans, State highway and transit projects.

This initiative is vital to placing more small businesses on the path to full and adequate utilization within California, bringing success to more small businesses, thereby strengthening the State's business community and economy. Further, this initiative provides a viable means to advance the *unimpeded* participation of all willing, ready, and able construction contractors and subcontractors, professional architectural and engineering firms, suppliers and truckers, without regard to race, ethnicity, gender, or physical disability to participate in the State's Contracting Program.<sup>1</sup>

SBA's Surety Bond Guarantee Program helps eligible small businesses obtain bid, performance and payment bonds by guaranteeing surety companies between 70% and 90% of the bond amount.

SBA's Surety Bond Guarantee Program contains two components: Prior Approval Program and Preferred Program. For more information, please visit their Web site at www.SBA.gov.

Surety companies certified by the U.S. Treasury to issue bonds are eligible to apply for participation in the SBA Surety Bond Guarantee Program. For applications, contact or visit your nearest SBA office listed below:
