- e. For the purposes of this Order, all Essential Businesses must continue to maintain and post a “Social Distancing Protocol” for each of their facilities in the County frequented by the public or employees. The Social Distancing Protocol must be substantially in the form attached to this Order as Appendix A. The Social Distancing Protocol must be posted at or near the entrance of the relevant facility, and shall be easily viewable by the public and employees. A copy of the Social Distancing Protocol must also be provided to each employee performing work at the facility. All Essential Businesses shall implement the Social Distancing Protocol and provide evidence of its implementation to any authority enforcing this Order upon demand. The Social Distancing Protocol must explain how the business is achieving the following, as applicable:
- i. Limiting the number of people who can enter into the facility at any one time to ensure that people in the facility can easily maintain a minimum six-foot distance from one another at all times, except as required to complete the Essential Business activity;
 - ii. Where lines may form at a facility, marking six-foot increments at a minimum, establishing where individuals should stand to maintain adequate social distancing;
 - iii. Providing hand sanitizer, soap and water, or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and employees, and in locations where there is high- frequency employee interaction with members of the public (e.g., cashiers);
 - iv. Providing for contactless payment systems or, if not feasible to do so, the providing for disinfecting all payment portals, pens, and styluses after each use;
 - v. Regularly disinfecting other high-touch surfaces;
 - vi. Posting a sign at the entrance of the facility informing all employees and customers that they should: avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into one’s elbow; and not shake hands or engage in any unnecessary physical contact; and
 - vii. Any additional social distancing measures being implemented (see the Centers for Disease Control and Prevention’s guidance at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>).
 - viii. Mitigation efforts are strengthened by the use of facial coverings and are addressed in separate Orders regarding Facial Coverings.

Essential businesses are also encouraged to find ways to protect individuals over 65 years of age, or those who are otherwise at a greater risk from COVID-19, such as designated shopping hours. Further it is recommended that Essential Businesses encourage people to shop in the smallest groups possible.
